Dear Dor Dorim Religious School,

On behalf of Camp Fiesta, I would like to thank you for your generosity and kindness. The beautiful pillowcases you have created will bring smiles and joy to all of our campers.

Camp Fiesta is a nine day sleepover summer camp for children with cancer. All campers attend our camp for free thanks to the generosity of individuals and organizations like you and Dor Dorim.

I know your pillowcases made with love and care will be treasured by our campers this up coming summer session. It is a wonderful way for them to bring the incredible memories of camp home with them.

Thank you again for your kindness and support. Wishing you all a wonderful school year and an amazing summer of your own.

Sincerely,

Teana Taché
Camp Fiesta, Vice President
