## Temple Dor Dorim

This scavenger hunt is to be completed at home, with permission from an adult. Once you have all the pictures, pictures have an adult email them to Jamie at [JMafdali@templendordorim.org](mailto:JMafdali@templendordorim.org).

1. Find different items that we use for each of these holidays (the more the merrier):
  - a. Shabbat
  - b. Passover
  - c. Chanukah

Is there a blessing we say when we use them? What are they used for?

2. Ask each adult in the house to show you their favorite Jewish item in the house. Ask them to share with you why it is their favorite. Is there a story to go with it? Do they remember where or when they got it? Was it a gift or did they acquire it for themselves? Show us a picture of each person with their favorite item.

3. It is an important mitzvah to give tzedakah to help those in need. Can you find a tzedakah box in your house? If not, [here is be a fun project to do at home](#).

4. Can you find a small case (which could be made from wood, plastic, metal, clay, or glass) that helps us to remember God's commandments and holds the Sh'ma prayer inside? Take a picture of it or draw it and tell an adult what it is called.

5. Do you have anything in your house that is from Israel or reminds you of Israel? Take a picture of it. Or draw something that it could be.
