**DON'T MISS ALL THE AFTER SCHOOL FUN!!!**

# After School Enrichments

## Session 3: January 9 - March 17, 2023

### **Katie's Kids Yoga—Mondays, 3:00-3:45pm**

The mission of Katie's Kids Yoga is to bring the joy of yoga, creative movement, and mindfulness, to children. Providing yoga and mindfulness tools for addressing physical, emotional, and other therapeutic needs. Strengthen families and support classroom learning through yoga and mindfulness practice and play!

### **Monet to Mozart/Art —Tuesdays, 3:00-3:45pm**

Monet 2 Mozart is built on positive engagement; the students have time to express their own individual creative ideas. Monet 2 Mozart teaches important life skills including importance of materials-recycling, budgeting, listening, communication, and community awareness. The program also offers an option to include a community/school Art show/fundraising event where students can present their work and feel appreciated for their achievements. At the end of each class the children will be going home with their masterpieces, a "crown" with the artist and composer we learned about to continue the learning at home, paper bag to collect recycled material for the next class.

### **Tippy Toes Dance—Tuesdays, 3:00-3:34pm**

Tippy Toes Incorporates ballet, tap, and jazz technique while also encouraging self-expression and creativity. High energy music is used throughout the class to get dancers moving and having fun!

### **Letters, Numbers and Words, Oh My: A Handwriting Adventure —Wednesdays, 3:00-3:45pm**

Ellen Arenberg, OTR/L is a pediatric occupational therapist who will work with students in a fun and energetic way and incorporates activities to increase their overall strength, stability, fine motor strength and coordination, in addition to teaching them how to correctly write their letters and numbers.

### **Elite Martial Arts—Thursdays, 3:00-3:45pm**

Elite martial arts will teach our young students that martial arts are a lot more than just kicking and punching. Our instructor will work diligently to instill the qualities of discipline, respect, and self-confidence in all our students. We also strive to promote the development of key motor functions such as balance, coordination, agility, and flexibility all through an engaging and entertaining curriculum implemented in a well-structured class.

### **Beakers & Bugs— Thursdays, 3:00-3:45pm**

Plants, animals, physical science, math, earth, space or the human body...Beakers & Bugs is a science and art company that offers a variety of fun and engaging enrichment classes for your child! We offer a 45 minute hands-on STEAM class with a unique theme for each week. All children will be participating in 2 or 3 mini sensory science projects in each class. From everything to live insects and reptiles to gem digging and even basic coding and circuits! Spaces are limited!

### **Dance Through The Ages—Fridays, 3:00-3:45pm**

Dance Through the Ages gets children "moving and grooving" with this combination class of Ballet and Hip Hop. Dancers will learn technique and terminology of both genres of dance through individual and group activities. The use of props and high energy, appropriate music keeps the class active and fun. Ballet shoes recommended but not required.

### **Robotics—Fridays, 3:00-3:45pm**

Children will begin to explore the world of robotics as they build simple models that teach the fundamentals of robotics design. Whether learning about sensors while building drills and magic wands, or discovering ways that gears and pulleys create movement while building helicopters and robotic dogs, your child is sure to have a great time.

### **PLEASE NOTE:**
