Running for: Fundraising VP

Drop to: Membership VP

I am running for Fundraising Vice President. My qualifications are being around the kids participating in events and being on the TOUCHY board previously as lower grades rep and the ATID board. Also I am a religious school assistant and hold several other leadership positions in other clubs. My idea for an event is an ecc fun day organized and run by TOUCHY. This would include some form of entertainment like a magician or dj as well as food and snacks. This event would encourage more families to continue with religious school and younger youth groups and eventually join TOUCHY, thereby helping to grow our numbers and have more of an audience for future fundraising events. My drop down is Membership VP. My qualifications are again being around the kids participating in events and being on the TOUCHY board previously as lower grades rep and the ATID board. Also I am a religious school assistant and hold several other leadership positions in other clubs. In order to help new and returning TOUCHYites get the most out of TOUCHY i would start by making sure everyone is included and brought into the Touchy family in our first event or their first event. Additionally I would talk to them privately if there is anything that I can do to help them feel more comfortable, as well as making sure they are treated with the proper respect.
