

Intent to Run Packet

Personal Statement

Samantha
Wissel

- Since I have attended TDD, I have continued to participate in the events, Shabbat Services, and more. Running for the Membership VP/Communications VP for the next school year, adds to that list. I'm very enthusiastic to contribute to this Temple and make it even better. My great Communication Skills, in person that is, and Creative ideas can bring lots to the table.
- My qualifications for TOUCHY Board include:
 - NJHS Treasurer
 - Previous TOUCHY Board member
 - and Student Council.
- I am always open to suggestions and are open-minded. I also try to be very social and get along with other members and TDD staff.

Questions:

1. For as long as I can remember, I have been a part of TDD. I ^{have been} involved in Geshet Giborim, ATID, and TOUCHY; I love being with TDD, my Second Family.
2. My goals are coming up with new programs and implementing more members to TOUCHY. I love to brainstorm and come up with ideas. I also am a great communicator and can influence incoming 9th graders to join the board.
3. My past leadership skills are
 - TDD Fundraising VP
 - ATID Board Member
 - NJHS Treasurer
 - Korak Instructor

4. Membership VP- I always like to get to know new people, so I would very much like to talk and get to know lots of the current 8th graders and let them know about the TOUCHY Board. There are always never enough members and as I always say, the more the merrier.

Communications VP- As the Communications VP I would work hard to keep everyone in TDD up to date with all the events, board meetings, and announcements. I will make sure that everything is planned out correctly. Lastly, I am always getting the word out as much as possible to improve the attendance of upcoming TDD events.
